

REMARKS

Claims 1-20 remain pending in the application. By the foregoing Amendment, Claim 13 is amended to remove a period (".") that was inadvertently introduced into the middle of the claim, and that was discovered immediately before filing. This change is purely typographical in nature, and accordingly the present Preliminary Amendment does not introduce new matter. Entry of the Preliminary Amendment is therefore respectfully requested.

The application is now believed to be in condition for examination. Favorable examination on the merits is respectfully requested.

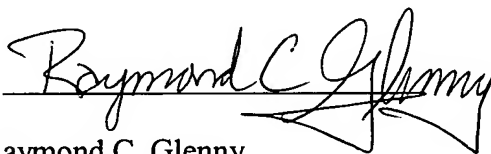

Respectfully submitted,
